Synopsis: Internal request to ascertain whether or not [REDACTED] is still incarcerated in a Colombian prison or in another country, unknown at the present time, and to check with the U.S. Department of State to determine the possibility of any current extradition treaty in existence with the United States to return subject for murder charges.

Administrative: Reference New Orleans airtel to the Bureau on 10/11/98, and Bureau airtel to New Orleans on 1/24/99.

Details: The Bureau has previously advised the New Orleans Division in referenced communication that as of 7/24/98, subject [REDACTED] was to be released from a Colombian prison. Date 08/24/98

Approximately one year ago, the Bureau canvassed respective field divisions regarding Bureau fugitives residing in Colombia who would be prosecuted if extradited. At the time of this request, there was some indication that the U.S. Department of State, in conjunction with the U.S. Department of Justice, was attempting to accomplish this goal to extradite Bureau fugitives. [REDACTED] name was provided at the time of this telephone request. However, the New Orleans Division was never apprised regarding the outcome of the efforts of the Attorney General to obtain an existing extradition treaty with Colombia officials.

The following information is being provided to the Bureau to accomplish the aforementioned request of the New Orleans Division in order that this matter may be brought to a logical conclusion by either prosecuting [REDACTED] or dismissing the current UFAP warrant.

For the information of the Bureau, subject [REDACTED] Pablo Escobar-Gaviria, and Rafael Cardona Salazar, all from Colombia, were indicted by a Federal Grand Jury on 7/22/86, in the Middle District of Louisiana (MDLA), Baton Rouge, Louisiana. All three were members of the Medellin Cartel who were responsible for supplying multi-ton quantities of cocaine into the United States. [REDACTED] and his accomplices were charged in the MDLA for extending the murder of Alder Barriman "Barry" Seal, a government witness who was fatally shot outside of a halfway house in Baton Rouge on 2/19/86 by members of the cartel's assassination squad.

All three defendants were charged in the indictment with conspiracy to violate the Rights of a Citizen (Title 18, USC, Section 241), Causing Interstate Travel for Contract Murders (Title 18, USC, Section 1952(a)), and Conspiracy to Obstruct Justice (Title 18, USC, Section 371).

At the time of the indictment in July 1986, all three defendants were believed to be residing in Colombia. Interpol, as well as Colombian provisional authorities, were alerted and provided with information regarding each defendant's outstanding warrants on file with the U.S. District Court, MDLA, Baton Rouge, Louisiana.

In February 1988, information was obtained from the U.S. Embassy, Bogota, Colombia, to verify the death of defendant Rafael Cardona Salazar on 12/05/87. Salazar's indictment was ultimately dismissed on 3/28/88.

In addition, in December 1993, confirmation was obtained regarding the death of Pablo Emilio Escobar Gaviria in Colombia by provincial police.

[REDACTED] is the lone defendant remaining in this case.

Assistant United States Attorney (AUSA) [REDACTED] Eastern District of Louisiana, New Orleans, Louisiana, continues to advise that should an extradition treaty with the country of Colombia ever be signed, his office would extradite the one remaining co-conspirator, [REDACTED] for the contract

[redacted] (b)(6), (b)(7)(c) is the lone defendant remaining in this case.

On 10/18/99, contact was made with SSA [redacted] (b)(6), (b)(7)(c) International Relations Section, WDC, who recommended that his section would make a request through Interpol to ascertain the present status of subject [redacted] (b)(6), (b)(7)(c) in view of the fact he, along with approximately thirty other people, was arrested during the early morning hours of 10/13/99, in a joint U.S.-Colombian effort called operation Millennium. [redacted] was arrested at his estate at Medellin, Colombia, and thereafter transported by helicopter to Bogota, Colombia, for further processing. (b)(6), (b)(7)(c)

The New Orleans Division, Baton Rouge Resident Agency, is making an inquiry through the Legal Attache at Bogota, Colombia, to determine if Colombian authorities will surrender [redacted] to U.S. authorities for the 02/19/86 murder of Adler Berriman Seal, bearing in mind that the three "hit men" hired by Pablo Escobar, Cardona Salazar, and [redacted] are currently serving life sentences in the Louisiana State Penitentiary at Angola, Louisiana. Interpol Case File Number: 19890806051

Memo to the File

On 9/14/2003, Interpol Washington, SSA (b)(6), (b)(7)(c) telephonically spoke with FBI, New Orleans, SA (b)(6), (b)(7)(c) to discuss the status of the Interpol Red Notice for (b)(6), (b)(7)(c)

(b)(6), (b)(7)(c) subject of Interpol Red Notice Control No. A-381/10-1989, was indicted on 7/22/1986, by a Federal Grand Jury in the Middle District of Louisiana, for his role in the murder of Adler Berriman SEAL, a government witness, who was fatally shot in Baton Rouge Louisiana, on 2/19/1986, by members of the Medellin Cartel, assassination squad.

On or about November of 1994, FBI, New Orleans learned that (b)(6), (b)(7)(c) was serving prison time in Colombia for drug distribution activities. At the time, the United States did not have a binding extradition treaty with Colombia, and no further action was taken.

On 12/17/1997, the US and Colombia restored their extradition treaty.

On 10/13/1999, (b)(6), (b)(7)(c) was arrested in Colombia, as part of joint US and Colombian operation which netted (b)(6), (b)(7)(c) along with numerous other significant Medellin Cartel members. (b)(6), (b)(7)(c) was subsequently extradited to the United States to face Federal Indictments out of the Southern District of Florida. Based on the 12/17/1997, extradition agreement, (b)(6), (b)(7)(c) would not be prosecuted for charges brought upon prior to the 12/17/1997, extradition agreement date.

On 8/26/2003, (b)(6), (b)(7)(c) was sentenced in Federal District Court, in the Southern District of Florida, to 365 months imprisonment, 5 years supervised release and a \$25,000.00 dollar fine.

During recent contact between FBI, SA (b)(6), (b)(7)(c) and Middle District of Louisiana, AUSA (b)(6), (b)(7)(c) SA (b)(6), (b)(7)(c) was informed that the 1986 Indictment against (b)(6), (b)(7)(c) will remain outstanding, and was instructed to maintain, his NCIC wanted status current.

In light of the above detailed events, SSA (b)(6), (b)(7)(c) opined that the Red Notice on (b)(6), (b)(7)(c) could be cancelled, but informed SA (b)(6), (b)(7)(c) that he would further research before any action is taken.

At this time I do not think it would be wise to dismiss the pending case in the Middle District against [redacted] (b)(6), (b)(7)(c)

[redacted] I might add the U. S. Attorney's Office in the Southern District of Florida and the Middle District of Louisiana agree with my opinion. The killing of Seal by [redacted] and the other (b)(6), (b)(7)(c) two who were charged and are now deceased was a cold blooded act of contract murder against a govt. witness. I just do not think that this kind of case should be dismissed when it could still be prosecuted. I realize that there are serious road blocks for trying [redacted] (b)(6), (b)(7)(c) for the Seal murder, however, it is not impossible.
